Pathways to Learning Auslan

There is no single pathway to learning Auslan. Deaf Education Network has two streams of Auslan courses.

It is possible to commence studying Auslan in the *Certificate II in Auslan* course. However, it is recommended that you commence with *Basic (Community) Auslan* courses (starting with *Sign Language 1*) to gain exposure to the culture and language of the Australian Deaf community before starting the accredited stream. This also provides students with a more solid foundation before commencing the intensive *Accredited Auslan* courses.

People who have existing Auslan skills may apply for Recognition of Prior Learning (RPL) or Credit Transfer to fast track their *Accredited Auslan* training.

Electives

Auslan Only BBQ (AOBBQ)

A four hour, structured language workshop entirely in Auslan. Participants are supported and encouraged throughout the day by members of the Deaf community. Prerequisite: *Sign Language 2* or equivalent.

This course will be running on Saturday 18th Sept 2010 (Term 3).

Contact Anna (see next page) for more information and to express your interest.

Auslan Only Weekend (AOW)

A no-voice fully catered Auslan immersion residential weekend run by Deaf presenters and a team of Deaf Auslan users. Available at 3 levels, this award-winning program will amaze, challenge and delight participants.

Prerequisites: For AOW1 you must have completed AOBBQ. For AOW2 you must have completed *Certificate II in Auslan* or equivalent.
