Continuing Professional Education Events 2012

Dear Colleague,

Listed below is a special CPE event coming up in March in Sydney. Please refer to the online calendar for further information about all the events being planned for this year http://www.ridbc.org.au/renwick/courses/cpe_list.php

Please direct any enquiries about the RIDBC Renwick Centre Continuing Professional Education program to Trudy Smith on (02) 9872 0302 or trudy.smith@ridbc.org.au

The Listening Tour

The Listening Tour

when: Thursday 22nd and Friday 23rd March 2012

Presenters: Dr Nancy Caleffe Schenck

Fee: \$150 for one day \$250 for two days

Course Description

Day 1: Start Listening: Children and Adults

Children and adults develop listening and spoken language in very different ways and therapists and educators working with each group need to utilise a range of different strategies in their programs. This workshop will focus on programs and resources that support each group and provide the opportunity to engage with some of the commercially available programs. There will be an abundance of tips for parents and support material for parents and professionals working with babies, toddlers and adults in developing spoken language through listening.

Day 2: Sound Speech for Speech Sounds

This workshop will provide strategies to encourage children to develop natural sounding voice quality, intelligible speech and enriched language by applying tried and true techniques to principles of spoken language development. Opportunities for applying theory to practice are integrated throughout the day by using the workbook that accompanies the slides and videos that will be shown. Course materials include the professionally produced books *Speech Sounds Vowels* and *Speech Sounds* and story books for developing 16 vowels and 20 English consonants.

This event is a collaboration between the RIDBC Renwick Centre and Cochlear International.

Intended Audience

This event will be useful for all teachers, therapists and para-professionals who work together to support the development of listening and spoken language for people with hearing loss.

Venue

RIDBC Renwick Centre, 361 - 365 North Rocks Road, North Rocks, NSW 2151 (SYDNEY)
