

Do you buy McCain Frozen Vegies or Purely Potato? Yes? Oh Good!!

The students at RIDBC Alice Betteridge School are participating in the McCain School Veggie Patches Promotion. McCain School Veggie Patches is a great way for our students to learn more about the goodness of vegetables and show that veggies are natural and come straight from the goodness of the earth.

McCain are giving away a variety of tools to assist the students to grow their own veggies such as a Raised Garden Bed, Gardening Gloves, Compost Bin, Fertilizer and Seeds.

To help the students at RIDBC Alice Betteridge School attain these all you need to do is purchase McCain frozen products as per the list below. Cut out the barcode from the pack and send to the school.

Each barcode earns either 5 or 10 points towards The school being able to earn the equipment they need to grow their veggie patch.

All McCain frozen vegetable 1kg, 1.2kg and 2kg packs are worth 10 points.

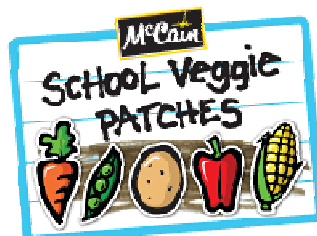

All McCain frozen vegetable and McCain Purely Potato 500g, 600g, 750g and 800g packs are worth 5 points.

A raised veggie patch is worth 1,500 points!!
